

It's going to be a big IFR Vega party in Hindeloopen, this summer!!

The preregistration is doing fine: already 60 boats and 131 men/women have shown their interest! It's going to be a big party!!

For Vega sailors who have never attended an international Vega-regatta: it's great to see so many Vega's in one harbour and to have the family feeling with all Vega sailors of other counties, to show each other's boats, to party all week and to sail the international contest.

You did not preregister yet?: it's still possible!!! Send an e-mail to ifr2010@hotmail.com and you will get the information about the definite registration of the regatta week. Make a reservation in your agenda for this summer: 15th – 20th of July, get your boat in condition and make plans for a sail vacation to the Netherlands. We will welcome you.

What's the program? You already saw this in the first invitation. A welcome and music on the 15th of July, 2nd day at leisure or sightseeing to Hindeloopen and surroundings along the IJsselmeer and prepare for the regatta (regatta gathering). The 3rd and 4th day the sailing contests will be held . Music afterwards, captains dinner, etc. The 5th day we all will go by coach and see the further surroundings of Friesland. And of course we will have the official Regatta Diner, the price giving and the speeches.

Why Hindeloopen? Those who know this cozy and historic town are enthusiastic about it. Hindeloopen is like a museum: cozy streets, wooden bridges, narrow canals and characteristic houses, shops, galleries, museums and many restaurants.

Although Hindeloopen is an old town with also a historic harbor, you will find there a complete and modern marina: excellent sanitary facilities, waste tank service, launderette, wireless internet, croissant shop, restaurant and terraces, a large chandler, petrol station, slipway, boatlift and the harbor has a professional yacht maintenance service.

For participants without sleeping facility on board, or for those who do not appreciate the floating bed, there are comfortable or basic apartments or camping facilities both at the harbor. And to keep your condition or to relax you can enjoy the indoor swimming pool, sauna, fitness room, tennis and squash court. And of course there is the beach along the IJsselmeer...

As said before: **send an e-mail to ifr2010@hotmail.com and you will get information** about the international Vega regatta. Do you join the party?
