

It's going to be a big IFR Vega party in Hindeloopen, this summer!!

The pre-registration is doing fine: already 45 boats and 125 participants are heading for Hindeloopen. It's going to be a big party!!

For Vega sailors who have never attended an International Friendship Regatta: It's great to see so many Vega's in one harbour and to have the family feeling amongst international Vega sailors showing each other's boats, to party all week and to compete in the regatta's.

What's the program? You already saw this in the first invitation. A welcome and music on July 15, day 2 at leisure or sightseeing to Hindeloopen and surroundings of the IJsselmeer and prepare for the regatta (regatta gathering). Day 3 and 4 the sailing contests will be held. Music afterwards, captains dinner, etc. Day 5 we all will go by coach and see the further surroundings of Friesland. And of course we will have the official Regatta Diner, the price giving and the speeches.

Why Hindeloopen? Those who know this cozy and historic town are enthusiastic about it. Hindeloopen is like a museum: cozy streets, wooden bridges, narrow canals and characteristic houses, shops, galleries, museums and many restaurants. Although Hindeloopen is an old town with also a historic harbor, you will find here a complete and modern marina: excellent sanitary facilities, waste tank service, launderette, wireless internet, croissant shop, restaurant and terraces, a large chandler, petrol station, slipway, boatlift and the harbor has a professional yacht maintenance service.

And to stay in good shape or to relax you can enjoy the indoor swimming pool, sauna, fitness room, tennis and squash court. And of course there is the beach along the IJsselmeer.
